DEPARTMENT OF LIFE SCIENCE

ORGANIZES ONE DAY WEBINAR ON

"STRATEGIES TO CRACK COMPETITIVE EXAM IN LIFE SCIENCE"

IN ASSOCIATION WITH

INSTITUTE FOR ADVANCED STUDIES, PUNE

Resource Person's

Ms. Alisha Habib

Institute For Advanced Studies, Pune

Platform: Google Meet

01.30 PM

MON, 23RD MAY

Dr. D. P. Garud
(Principal)

Prof. Dr. Umesh Kesare
(Head Dept. of Botany)

Organizing Committee:

Principal: Dr. D. P. Garud

Convener: Prof. Dr. Umesh Kesare.

i) Title: “Strategies to crack Competitive Exams in life Science”.

ii) Introduction:

Department of Botany Organized one-day National Workshop on Strategies to Crackdown Competitive Exams in Life Science. The purpose of this workshop is to know the various Exams for life Sciences students like DBT JRF, CSIR JRF, ICMR, BARC, GATE and MH SET etc.

To know the examination pattern, dates of form and month of exams with passing criteria.

iii) Objectives of the Programme / issues addressed:

- i. To develop the knowledge about the competitive examinations.
- ii. To know the skills for getting the success in NET and SET examinations.
- iii. To develop research aptitude among students.
- iv. To know the preparation techniques for competitive examinations.

This is especially important for major common entrance exams that are the gateway to getting admission to the top

Professional colleges in the country.

Cracking these competitive exams is indeed a challenge. And, more so is ranking among the top scorers out of the ever all thousands of students who appear for these exams every year.

This is where coaching centers play a significant role in helping student prepare for the common entrance exams. Those who attend these coaching classes have an edge over those who don't, with access to specially orated study plans and guidance from experienced faculty.

Approach:

- **Set S.M.A.R.T. Goals** – Here S.M.A.R.T. stands for Specific Measurable Achievable Relevant Time-Bound. One must keep all these five goals in mind when strategizing a study plan. Do not overburden yourself and set achievable goals
- **Self Management vs. Time Management** – Ensure that you set targets which you can achieve. Manage your schedule in a manner that sufficient time can be dedicated to the preparation
- **Attend Online/ Offline Classes Regularly** – Choosing either online or offline classes in a candidate's decision but they must ensure that either way they attend the classes on a regular basis and any kind of ignorant behavior shall affect their preparation
- **Revise on a Daily Basis** – In most cases, it has been observed that one may understand the topic when being taught but due to lack of

revision may end up forgetting such concepts. Thus revising things on a daily basis is a must

- **Solve Time-Bound Exercises, Mock Tests & Model Papers**
 - This will give an examination kind of atmosphere and a better understanding of the type of questions which may be asked
- **Raise Doubts or Questions if any** – Mostly it has been observed that candidates hesitate to ask questions for various reasons but this may act as a hindrance for any competitive exam aspirant. Always ask doubts or questions, if any to ensure that the concepts are extremely clear
- **Choose Coaching/ Institutes/ Teachers Wisely** – Choose the books, study material and resources wisely. Ensure that either online or offline, sufficient study material is provided, separate time for clearing doubts is given and proper revision and tests are conducted

- **Get Your Concepts Clear** – The key to answering any questions is by having conceptual clarity. Ensure that every part of the concept is clear and understandable
- **Focus** – Even if a candidate manages to devote 3 to 4 hours a day for preparation, an absolute focused study must be done during this time. No kind of distractions must be entertained
- **Solve Previous Year Question Papers** – To understand the standard of exam and the exam pattern, the best solution is referring to the previous year question papers
- **Be Regular, Well Planned & Disciplined** – Having a proper study plan is a must. It is important that before one starts the preparation, he/she is well aware of the subjects, topics, exam pattern and the selection process for the respective exams so strategies a time table devoting equal time to all subjects.

Outcome of the Webinar:

The Webinar was highly informative and comprehensive for the students, teachers, research scholars and academicians. More than 100 participants have enjoyed this academic feast and got benefited by the Mathematical knowledge of Competitive examination. Teachers and students from other Departments, are participated in the webinar.

List of Participants:

Name of the Learners/Mentee	APPEIRIN G DEGREE	Year of Education	Department	Mobile Number	E-mail id
